Brief describe the provision in LMS to be used by HEI :-

The university has subscribed to Swayam Learning Management System as LMS which is developed & operated by Ministry of Education (Government of India) and NPTEL, IIT Madras with the help of Google Inc. and Persistent Systems Ltd. The courses hosted on SWAYAM are in 4 quadrants – (1) Quadrants I is E-Tutorial: Which shall contain Video & Audio contents in an organized form, animation, simulation, video demonstration, virtual lab etc. along with the transcription of the video. (2) Quadrants II is E-Content: Which shall contains self-instruction materials, E-Books, Case studies, Presentations etc. and also contains web resources such as references, related links and E-Book. (3) Quadrants III is the Discussion Forum for rising of doubts and clarifying the same on the real time basics by the course coordinator (4) Quadrants IV is Assessment which shall contains problem & solutions could be in the form of MCQ's, Fill in the blanks, Short answer question & long answer question.

Briefly write how the Learning Management System (LMS) will ensure the following: (provide a demo link, if available) :- <https://staging.online-degree.swyam2.ac.in/>

Assessment mechanism	<p>In order to maintain the integrity and sanctity of the examination system utmost care is taken as follows :</p> <ol style="list-style-type: none"> 1. Ethical Practice 2. Transparency 3. Adhere to Timeline 4. Integration of Technology 5. User Friendly Platform <p>□ All the syllabi are updated as per NEP-2020, UGC Quality Mandate, CBCS, Curriculum and Credit Framework for Undergraduate Programs, OBE and UGC ODL & OL Regulations-2020 for 360° and holistic development of the students</p> <p>□ The Examination Regulations is on place based on above criteria</p> <p>□ Proctored Examination : Pen-Paper or Online or Computer Based Testing as per Annexure-II Section II-A & B of ODL & OL Regulations, 2020.</p> <p>□ All the Off-line/on-line examinations shall be conducted at headquarter</p> <p>□ Adequate Physical /Academic Infrastructure available for smooth conduction of examination either in Pen-Paper or Online or Computer based.</p> <ol style="list-style-type: none"> 1. Passing Criteria : 40% Marks in Internal & External Separately. <p>The University adopted AI-Powered Digitally Proctored Examination Management System 'Digi Proctor' which is a highly secured and reliable platform and adopted by all the reputed organisations of India, including – IIM Bangalore, IIM Lucknow, IIFT, IIT Guwahati and others.. Since assessments are key for Effective Teaching and Improved Learning Outcomes, the University has taken this platform with the following important features:</p> <ul style="list-style-type: none"> □ End-to-end Digitalization of Exam Operations □ Student Information Management □ Question Creation & Question Banks □ Test Design & Delivery □ ID Verification □ Remote Proctoring □ Communication & Support □ Online Evaluation □ Result Processing with Deep Analytics etc.
Identified technological interface and interoperability	<p>The Swayam portal has demonstrated a robust technological interface with a strong emphasis on interoperability. It seamlessly integrates with various E-Books developed by faculties further it required uploaded web based E-Resources including E-Books, videos, research paper etc. This interoperability allows for a cohesive learning experience, as students and educators can access materials, collaborate, and track progress across different devices and platforms. The Swayam portal's commitment to interoperability promotes accessibility, making it a versatile and user-friendly tool for online education</p>
Learner's Authentication Requirements	<p>The Swayam portal enforces stringent learner authentication requirements to ensure the security and integrity of its educational resources. Each learner are typically required to create individual accounts, providing their personal details and educational credentials for validation. Multi-factor authentication may also be employed, enhancing user verification. This stringent authentication process helps maintain the credibility of certifications earned on the platform and safeguards the educational materials, promoting a trustworthy learning environment.</p> <ol style="list-style-type: none"> a. During Registration of Students After Successful enrolment of a student, he/she will be issued with the login credentials e.g; User Id and Password to get the access in to LMS. So only authorised students can be able access the portal or any on-line facilities extended by the University. b. During Course Delivery Once the enrolment process is over, the student shall be issue with the login credentials e.g; User Id and Password to get the access in to LMS. So only authorised students can be able access to the LMS, Recorded Lectures, E-Book, Live Lectures etc. c. During Interactions Once the enrolment process is over, the student became a bonafide student of the Universityshall who shall be issued with the login credentials e.g; User Id and Password to get the access in to LMS which supports the on-line facilities e.g; Recorded Lectures, E-Book, Live Lectures etc. So only the bonafide/authorised students will get the access to interact with the instructors. d. During uploading of information/assignments etc. Once the enrolment process is over, the student shall be issue with the login credentials e.g; User Id and Password to get the access in to LMS. So only authorised students can be able access to the LMS, Recorded Lectures, E-Book, Live Lectures, Assignments etc. Therefore, only the bonafide/authorised students who has access to LMS can be able to upload the doubt questions to be clarified by the course coordinator and assignments for further evaluation. e. Examination during course assessment and End of Course Every enrolled students shall be issued with the login credentials e.g; User Id and Password to get the access in to LMS. So only authorised students can be able to access to the LMS which extends the facility of course assessment by the course coordinator in the form of assignment and graded discussion through group discussion/projects, quizzes, live interactions etc. to finalise the internal marks of 30 marks. However, the Term End Examinations shall be conducted through a proctored platform for 70 marks. f. Final Examination / Proctored Examination The University shall conduct Term End Examinations for each course of 70 marks through a Proctored Platform. Every students need to register in that platform through Aadhar Card/ University ID Card.After successful registration, the students shall be issued with a examination link which is activated in due time and the students can be access to the examination portal..The proctoring shall be by both AI based and invigilation.The platform maintains complete transparency and integrity of the examination system.

Learner Registration - through a web application	<p>The Learner's Registration Process for an online program typically involves the following steps which :</p> <ol style="list-style-type: none"> 1. Selection of Program: The student may explore different online programs offered by the University considering the factors such as program curriculum, accreditation, reputation, faculty, cost, and flexibility to further ensure that the program aligns with the educational and career goals of the student. 2. Admission Requirements: Student needs to review the admission requirements for the online program he/she is interested in. Common requirements may include a completed application form, academic transcripts. 3. Completion of Online Application: Next Student needs to visit the University's website and fill out the application form accurately and completely. Provide the requested personal and educational information, and upload any required documents with the requisite amount of Rs.500/-. 4. Submission of Supporting Documents: Gather all the necessary supporting documents as outlined in the admission requirements. This typically includes official or unofficial transcripts from previous educational institutions, letters of recommendation, test scores (if applicable), and a personal statement. Ensure that these documents meet the institution's guidelines for submission. 5. Verification of the Documents: After submitting the application and supporting documents, the admission committee will assess the qualifications, credentials, and overall fit for the program. Then the decision of the admission committee shall be communicated to the students through mail. 6. Acceptance and Payment of Fee: Then the student need to accept the admission letter and need to pay the requisite semester fee within the dead line through on-line or other designated methods to secure his/her enrolment. 7. Learner's Registration: After the payment is made successful, every student shall be issued with a valid registration number, user id & password to access the LMS through a welcome mail. 8. Orientation and Program Preparation: After successful enrollement in to a progammme, the student shall be issued with a user id and password to get access in to LMS. Thereafter, the student has to join for an orientation session to help him/her get acquainted with the online learning platform, course structure, and academic policies. 9. Commencement of Session: Once the student completed the enrollment process, he/she can begin the online program. Access the online learning platform, participate in discussions, complete assignments, and engage with the course materials as instructed by the course instructors.
Active Engagement of the Learners along with Analytics for active engagement of learners and Reporting	<p>Active learner engagement is a cornerstone of the Swayam portal's approach to online education. The Swayam platform incorporates interactive features, such as discussion forums, live webinars, and collaborative projects, to foster engagement among students. Additionally, robust analytics tools track learner participation, progress, and performance. Instructors and administrators can access these analytics to gain insights into student behavior, identifying areas of improvement and tailoring their teaching strategies accordingly. The reporting feature on the Swayam portal further enables educators to generate comprehensive reports on student performance, helping them make data-driven decisions to enhance the overall learning experience and achieve better educational outcomes</p>
Payment Gateway –using Digital Payment system	<p>Students are given the option to pay their fee either off-line at the University Fee Counter and obtain their fee receipt or can pay their fee on-line through University Portal at the link http://sdlju.org/payfee.php . On clicking the link , it will redirect to the payment page on the portal which is integrated with ICICI Bank Payment gateway. On payment page, student will get the option to pay their fee through Debit Card, Credit Card, Net Banking, UPI etc. On successful transaction, the student will get the fee receipt instantly.</p>
Tracking the delivery of a Course or programme	<p>Tracking the delivery of a course or program on the Swayam portal is a streamlined process, ensuring effective online education. Instructors and administrators have access to analytics that provide insights into student engagement, progress, and performance. This data includes login frequency, participation in discussions, and assessment results, enabling educators to gauge the effectiveness of their teaching methods and make timely improvements. Tracking mechanisms on Swayam help maintain educational quality and address any challenges, contributing to an enriched online learning experience for students</p>
Technical Know-how or Skills Requirements	<p>To successfully navigate the Swayam portal, learners typically require basic technical know-how and skills. This includes familiarity with internet browsing, the ability to create and manage user accounts, and proficiency in using common productivity tools like word processing and presentation software. Additionally, a fundamental understanding of the learning management system's interface and features is beneficial, such as how to access course materials, engage in online discussions, and submit assignments. While the Swayam portal is designed to be user-friendly, a basic level of digital literacy can greatly enhance the learning experience and ease of participation for students.</p>

Briefly write on ICT facilities available/ to be ready dedicated for the implementation of Online Courses :-

Information and Communication Technologies (ICT) has invaded and transformed many aspects of our lives to the extent that today we live in an environment that is dominated by technology which in itself is consumer driven. ICT plays a vital role for effective teaching learning process in the present scenario. COVID-19 has trained all of us in the extensive use of ICT enabled tools for effective teaching and learning processes. The University encourages intensive use of ICT enabled tools including online resources for effective teaching and learning process. The University has robust IT infrastructure including ICT enabled class rooms with interactive board, LCD Projectors, Wi-Fi facility, Webcam; Laptop etc. for on-line classes. The campus is enable with high speed internet connectivity of 1GBPS link from NKN. A dedicated studio is established in the campus to develop e-resources by the in-house faculty members. Further, CDOE is equipped with all the desired equipment including Desktops, Laptops, Digital Cameras, Printers, Photocopiers, Tablets, Pen Drive, Smart Boards, LED Interactive Panel, Microphones, Flash Disc, Scanner, Instant Messaging, GPS, Television, Notebooks and Hard Disks are the general ICT tools used in teaching learning process. The faculty members are using the following ICT enabled tools in conventional mode which shall also be used in on-line mode: 1. Google classroom is used to share the hand outs, PPTs, etc. 2. Zoom and Google meet are online platforms used for interactive teaching. 3. Various E-conferences, seminars, webinars and E-quiz organized through these mediums. 4. Media lab facility is used to create video lectures and upload in University YouTube channel. 5. The PPTs are enabled with animations and simulations. 6. Library offers a wide range of e-resources through I-Scholar, DELNET, INFLIBNET, and J-Gate. 7. Online quizzes and polls are regularly used to record the feedback from all the stakeholders. 8. Online Time table, attendance, examination schedule, syllabus and course material are available on student's portal. 9. Lab manuals are mailed to students well in advance. 10. Online study materials are designed to help students in addition to the text books. 11. Integrated ERP & LMS is in place. 12. Students are motivated to visit various free websites for e-contents e.g. e-PG Pathshala, Virtual Labs, NDL, etc. 13. Students are motivated to undertake MOOCs for additional knowledge / certificates. 14. For promoting research the scholars and the faculty are motivated to visit Shodhganga, e-ShodhShuddhi, Vidwan, etc.
